

Longlevens AFC Match Sponsorship Form

I would like to invite you and your business to support our football club for the season. Longlevens AFC is a local football club and I want to do my bit to help support the club by getting a £100 sponsorship for a match this season for this season.

As self-sufficient and volunteer run club, we are in need of as much support as possible to ensure our continued growth and success.

On each match day, we will have your company name and logo printed on the programmes and provide regular announcements over the tannoy system for our fans, players and managers to promote your business.

I hope you see fit to sponsor one of our matches. It would be great to have your company as a match day partner.
