

Longlevens AFC Player Sponsorship Form

I would like to invite you and your business to support me and my football club for the season. Longlevens AFC is a local football club and as a player I want to do my bit to help support the club by getting a £100 sponsorship for membership for this season.

As self-sufficient and volunteer run club, we are in need of as much support as possible to ensure our continued growth and success.

In each match day programme is a list of players who have been selected. If you sponsor my position your company name will be printed next to my name and position every week throughout the season. You will also be the sponsor of one of our home games and your company name will appear on the score board for that game.

I hope you see fit to sponsor my position. It would be great to have your company as a match day partner.

****** To sponsor me and my position for £100 please see below. Thank you! ******
